Elevation B = 2,354 SF

The Elm is a comfortable floorplan which features a den/fourth bedroom plus a three quarter guest bath on the main floor. A charming formal dining room greets you as you enter and leads you to the open carpeted great room with gas fireplace. The elegant kitchen, with center island and stainless steel appliances is wrapped in warmth from the large windows of the eating nook. On the upper level the lovely master suite with five-piece bath, is complemented by a gracious soaking tub, large tiled shower, full length wardrobe mirror and sizable walk-in closet. Two additional bedrooms with walk-in closets, one full bath, a utility room and a dream size play/craft room are designed to maximize your needs. Top this home off with a covered porch, covered patio and a full size two car garage.
